Crime Analyst

Executive Summary

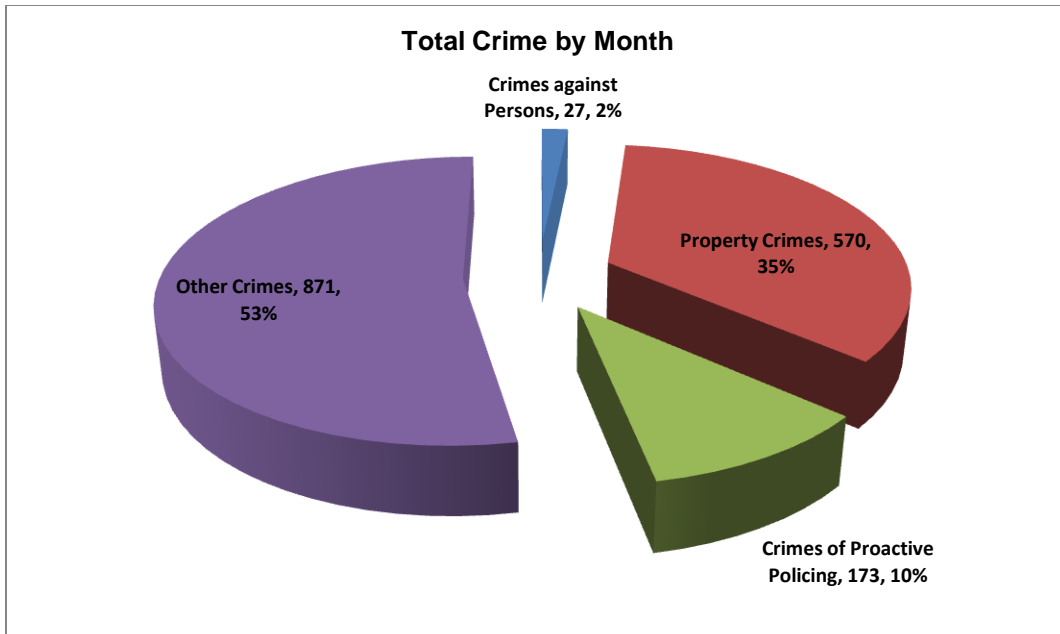

The purpose of the Jonesboro Police Department Monthly Report is to compile data into one integrated report for review, allowing for a seamless flow of information for better decision-making. After each department collates their monthly numbers and sends it to Crime Analysis, it is organized into sections of departmental data, analyzed and packaged, and finally disseminated to department heads, the Chief of Police, the City Mayor, and the City Council. Major sections include Crime Analysis, Emergency 911, Uniform Police Division, Prowl, Criminal Investigative Division, Warrants, Drug Task Force, Traffic, Parking Enforcement, Animal Control, Fleet Maintenance, Records, and Professional Standards.

Crime Analysis

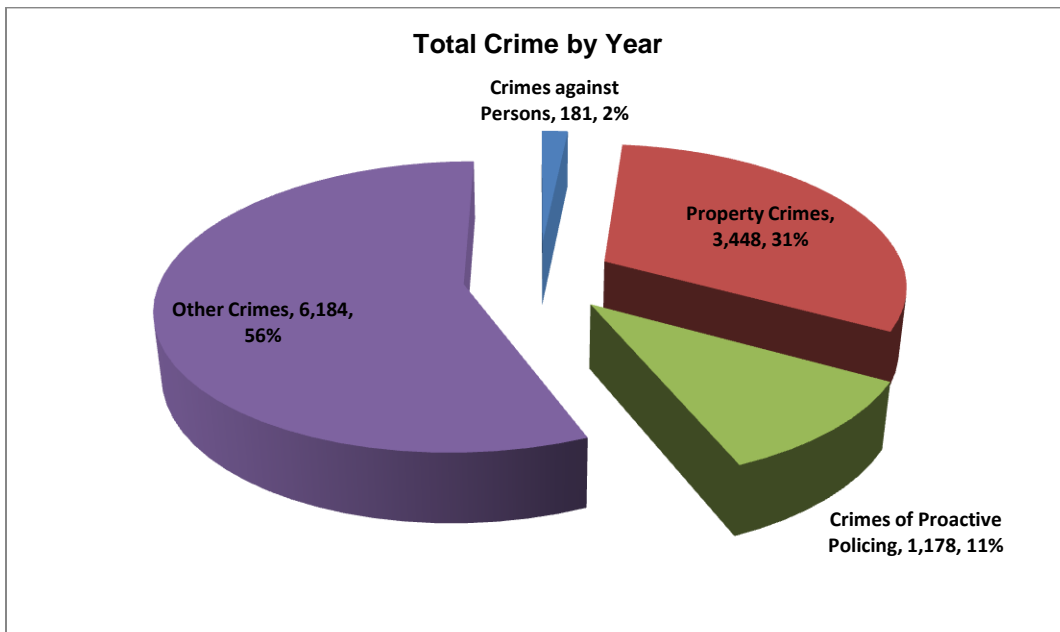

The Crime Analysis division consists of a Crime Analyst and a Crime Analyst Assistant. The Crime Analyst position is responsible for the analysis and dissemination of crime activity data and the collection and maintenance of crime intelligence information for the city of Jonesboro. Data exported from this division is used by field agents for more effective, efficient policing, administration for improved staffing decisions, and the Mayor's office for community decision making and enhanced public relations. This section is broken down into total crime, crimes against persons, property crimes, crimes of proactive policing, other crimes, and arrest demographics.
