Jonesboro Police Department 1001 S. Caraway Road Jonesboro, Arkansas

Edited by: Chief Rick Elliott, Public Information Specialist Sally Smith, Digital Media Specialist Rachel Carmack, and Crime Analyst Claire Reynolds

Mission Statement

"The City of Jonesboro Police Department shall strive to ensure that all of our citizens are served in a professional, ethical and equitable manner that respects individuals, protects our democratic ideals and system of government, pursues greater accountability of police, greater public share in decision making and greater concern for civil rights and liberties."

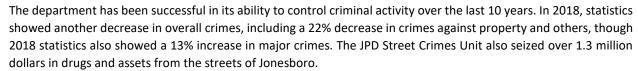

Chief's Message

Dear Community Members,

The Jonesboro Police Department strives to ensure that all citizens are served in a professional, ethical and equitable manner that respects individualism. Our goal is a greater accountability of officers while respecting civil rights and liberties.

We issue this yearly report to inform our citizens and elected

A number of new programs were added to the department in 2018. We now provide ALERRT training for our officers, along with providing Court Services to citizens of Jonesboro. JPD also implemented a Service Division for the fleet. By hiring two fulltime mechanics, we have saved the taxpayers over \$50,000 in the first year.

Our success is attributed to how the community and police work together to deter crime in our community. Our department would not be able to provide an outstanding level of service were it not for the diligence of our dedicated group of men and women who compose the Jonesboro Police Department. It is our honor to continuously protect and serve our community.

Please do not hesitate to contact me with any questions and concerns.

Respectfully,

Elliott

Traffic

Traffic Enforcement Units primary duties are motor vehicle crash investigations, DWI Patrol, and enforcing the State of Arkansas traffic laws and City of Jonesboro traffic ordinances. They also provide additional coverage for particular congestion problems, such as those associated with special events or the traffic issues at the beginning of the school year. They also work special details targeting specific issues, such as DWI Sobriety Checkpoints and Child Passenger Safety Events.

Seatbelt and Traffic Enforcement Program (STEP)

With the goal of reducing traffic related fatalities and injuries, the Jonesboro Police Department again participated in the Selective Traffic Enforcement Program (STEP) made possible through a grant from the National Highway Transportation and Safety Administration and the Arkansas Highway Safety Office. This grant enables officers to work additional hours enforcing traffic laws with an emphasis on Seat Belt Usage, Child Restraint Violations, Speeding, and DWI/DUI enforcement. Through funding from this grant, the Jonesboro Police Department was able to

distribute over 500 Child Safety Seats for children who needed them this past year. Additionally, the program supports a number of child safety seat clinics that were held throughout 2018 where hundreds of car seats were installed and inspected, insuring that the seats were in good working

Reserve Program

The Jonesboro Police Department Reserve Police Officer Unit is comprised of non-paid officers with reserve certification from the State of Arkansas. The unit is a valuable resource for the agency and supplements the day-to-day operations of the department. In doing so, it is the policy of the Jonesboro Police Department to ensure that its reserve police officers meet

comparable training and proficiency requirements as required of regular full-time police officers. Members of the Jonesboro Police Department's Reserve Police Officer Unit, while on-duty, can exercise the same authority and have legal protection afforded full time sworn police officers.

Warrants

The Warrants Division is responsible for serving warrants, criminal summons, and subpoenas that are issued by the District Court. On city court days, the Warrants Division provides a bailiff for court and a transport officer. In addition, this Division is responsible for transporting wanted persons arrested in other jurisdictions back to Jonesboro. The division provides court security for District Court and transports inmates to and from court.

Drug Abuse Resistance Education (DARE)

The goal of the D.A.R.E. Program is to educate students, faculty, teachers and families about the dangers of drugs and violence. Our aim is to educate and prevent incidences of juvenile crime and delinquency through proven, valuable student training with the Drug Abuse Resistance Education curriculum. This program not only addresses drug abuse, but also several other life skills topics. How to communicate, dealing with stress, peer pressure and bullying are just a few topics that the program covers. It is a multi-faceted approach to getting our students the tools they need to succeed in life.

The Jonesboro Police Department currently deploys ten officers to three school districts located within the city. The officers are assigned to the Valley View School District, Jonesboro School District, and the Nettleton Public School District.

T	

School Resource Officers are uniformed, certified police officers who receive specialized training to deal with school-related issues and promote safety on campus. SRO duties include patrolling school properties, assisting school officials with safety plans and crime issues, controlling traffic, providing security at school events, making arrests when

needed, building positive relationships with students, parents, teachers and staff, and providing

other law enforcement services as needed.

Special Weapons and Tactics (SWAT)

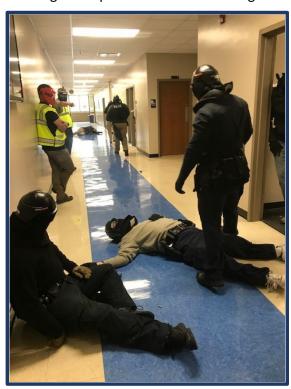

The Jonesboro Police S.W.A.T. Unit can rapidly respond when needed. It is the intent of the Jonesboro Police Special Services Unit to provide a highly trained and skilled tactical team as a resource for the Jonesboro Police Department in the handling of critical incidents. Currently, the team is comprised of 27 officers. In addition, the team has three medical doctors and five medics

who are reserve police officers. The Special Weapons and Tactics Team (S.W.A.T). is trained to respond to a wide variety of critical incidents including hostages, barricades, snipers, high-risk apprehensions, personal protection, and much more.

Training

Officers of the Jonesboro Police Department are required to train in various subjects throughout the year. The training unit is under the direction of a sergeant who reports to the Special Services Division Lieutenant. The training coordinator is responsible for the coordination of all department training, including a comprehensive basic training for newly hired officers, as well as the continued refresher

and specialty training for veteran officers. New recruits to the Jonesboro Police Department must complete at least 33 weeks of training before they are permanently assigned to a shift as a certified police officer. One of the most important parts of that training is the Field Training Officer Program.

ALERRT Training

ALERRT stands for Advanced Law Enforcement Rapid Response Training. This dynamic course is designed to prepare the first responder to isolate, distract, and neutralize an active shooter. This course will cover shooting and moving, threshold evaluation, concepts and principles of team movement, setting up for and room entry techniques, approach and breaching the crisis site, secondary responder tactics, improvised explosive devices, and post engagement priorities of work. The course will culminate with dynamic force on force scenarios.

Court Services

The District Court Services Department oversees all persons placed on probation as the result of criminal and/or traffic charges within Craighead Defendants ordered to complete probation are given sentences ranging from one to twelve months. Defendants are expected to meet with a Court Services Officer regularly to ensure compliance with the requirements ordered by the District Court Judges. District Court Services was formed not only to report directly to the Court regarding probationers who are non-compliant, but also to provide an environment where defendants will be encouraged to make positive changes in their lives. Direct services include random drug screens, Sobriety Court, monitoring of both probation fees and fine payments, monitoring attendance and completion of Court Ordered programs, Electronic Monitoring, and monitoring Public Service Work.

Disaster Preparedness and Response

The Disaster preparedness and Response Division was designed to reduce the disruption of essential services when an emergency occurs. The goal is to develop and implement strategies that ensure the continued operation of facilities before, during and after the situation. Common events that could be listed as natural disasters in Jonesboro are ice accumulation rendering power loss, flash flooding, earthquakes, and other weather-related events. This unit also plans for unexpected manufactured disasters such as terrorism or bombings, etc.

Chaplaincy Program

The goal of the Chaplaincy program is to provide support to local law enforcement officers, their mission (to protect and serve), and offer a special understanding of their unique work: supporting them and their families. Some of the specific ways that chaplains encourage and support officers is by riding along with officers on duty, visiting police department offices and special assignment sites, providing on-scene support during death notifications and appropriately recognizing individual achievements. The most important of the chaplain duties is the commitment to regular prayer for officers and their families. The Police Department has 7 local men and women in the clergy who volunteer their time to serve as Police Chaplains.

Administrative Services Division

The administrative office of the Jonesboro Police Department includes the Office of the Chief of Police, which also includes the Assistant Chief of Police, an Administrative Public Information Officer. Captain, Community Outreach and Recruiting Officer and the Chief's Administrative Assistant. The Administrative Services Captain also oversees the Support Services units of the department, as well as Professional Standards (Internal Affairs) and Accreditation. Some of the

support units include Animal Control and the Records Division. While some of these units are overseen by and include certified law enforcement officers, many are civilian employees. Administrative services also provides daily support for the Chief of Police and the rest of the department with services such as planning and research, fiscal affairs, crime analysis, alarm tracking, records maintenance, and supply and fleet operations.

maintenance of crime intelligence information for the city of Jonesboro. The information they provide contributes to officer safety and crime reduction efforts. Additionally, the Crime Analyst provides the Jonesboro Police Department with current and accurate crime maps presenting crime activity data to audiences of interest. The Crime Analysis Unit is also charged with responding to requests for crime data from civilians and departmental staff. Data exported from this division is used by field agents for more effective, efficient policing; by administration for improved staffing decisions; and by the Mayor's office for community decision making and enhanced public relations.

Animal Control

The Animal Control Division is responsible for educating the public on safe and humane issues regarding animal treatment, enforcing all animal laws and ordinances, assisting the public in resolving animal issues, and protecting the safety and welfare of the citizens and animals in this community. The Jonesboro Police Departments Animal Control Division houses and provides humane care for lost and abandoned animals in the community. It strives to reunite pets with their owners, but if this is not feasible or desirable, it prepares and promotes these animals for adoption.

K-9 Division

The Jonesboro Police Department K-9 Unit is made up of seven teams and is supervised by Sgt. Larry Rogers. Each team consists of a handler and K-9. Six of the teams are trained in narcotics detection and patrol work, to include aggression and tracking and are responsible for assisting patrol units when requested. We also have one team trained in explosives detection and patrol work. Each team must participate in at least sixteen hours of formal training per month and are certified on a yearly basis.K-9 teams are also available for demonstrations at local schools and events.

One of our K-9's was injured December 11, 2018, while being deployed during an active shooter situation at the Gladiolus Apartment Complex. Investigator Erik Johnson and his K-9 partner, Gabo were utilized in the apprehension of a female subject. Once inside the apartment, Gabo suffered several gunshots to his upper torso and abdomen. He has made a complete recovery and was recertified and placed back in duty.

Community Outreach

The Jonesboro Police Department believes building a strong relationship with the community serve. Our officers are involved in many community outreach events through the department as well as with professional organizations such as the Fraternal Order of Police or the Police Benevolent Association. Some of those events include Shop with a Cop, Special Olympics, Law Enforcement Torch Run,

National Night Out and Citizen Police Academy. Our officers have also worked with Make-a-Wish, United Way, John 3:16, local churches and schools, neighborhood groups and many other organizations.

Child Safety Seats

The Jonesboro Police Department receives funds from the Highway Safety Office for the purchase of Child Safety Seats. JPD conducts a Child Safety Passenger Check-Up event twice a year. During these events, officers check for the proper installation and usage of the child safety seats. If a defective, improper, or out-of-date seat is found, JPD attempts to replace it with a seat that in stock from STEP funds. Officers who are Child Passenger Safety Seat Technician undergo a three-day school learning about the different types of seats and proper ways to install them.

10th Annual Fishing Derby

In June, JPD officers participated in the local FOP lodge-hosted event, the 10th Annual Fishing Derby Craighead Forrest Park. 180 kids registered; there were 40 volunteers from various agencies. 75 fish were caught and 9 trophies were awarded to various age groups ranging from 3 to 15 years of age. 6 bicycles were given away, 3 32' televisions were given away, and 2 \$100 tagged fish were caught.

Arkansas' 14th Prescription Drug Take Back

JPD participates in the national Drug Take Back Day and also maintains a secure collection receptacle outside the police station at 1001 S. Caraway that is available 24/7. In the first six months of 2018, JPD collected nearly 700 lbs. of unneeded/unwanted prescription medication from citizens through the receptacle. In October, officers and volunteers at the Jonesboro Police Department participated in this event. The volunteers collected expired or unneeded medications for proper disposal. Studies show that

family and friends are the main source of abused prescription drugs. Drug overdose deaths are the leading cause of unintentional injury deaths in the U.S., exceeding vehicle fatalities by 50 percent. In Arkansas, 1,067 people have died from a drug overdose in a 3-year span (319 in 2013, 356 in 2014, and 392 in 2017). The Department is proud to be able to help our community dispose of unneeded medication to help combat prescription drug abuse.

KLEK Radio Program

KLEK is an FM radio station that is licensed to broadcast in Jonesboro, Arkansas. On the first Wednesday of the month at 9:00am, JPD reaches out to the community through regular appearances by Chief Rick Elliott and other officers on the program "Community Conversations" which is aired on KLEK-FM radio. Listeners and viewers who watch the live streaming of the program may interact by asking questions of Chief Elliott and others on any topic of concern.

Miracle League Easter Egg Hunt

The Jonesboro FOP teamed up with local churches and The Miracle League to bring a different kind of Easter Egg hunt to Jonesboro. This hunt was in April and was held exclusively for special needs children. Boxes were placed at local churches and JPD to collect donations and prizes to be given away at the hunt.

Color Me D.A.R.E.

The Jonesboro Police Department D.A.R.E. program operates largely from fundraising efforts. This reduces the cost to the City of Jonesboro and the taxpaying citizens. Thus, enabling us to provide this program free of charge to the schools within the city limits. In April 2018, D.A.R.E. officers Shay Racy and Kevin Foust were able to host a color run titled, "Color Me D.A.R.E.". This "fun run" was held at Joe Mack

Campbell Park and consisted of a 2mile trek inside of the park. Each participant that registered prior to the deadline was provided with a custom shirt and a goody bag. After crossing the finish line, each participant received an official Color Me D.A.R.E 2018 medal.

In order to put this event on, D.A.R.E. had to lean on several super sponsors. First Community Bank, Alexander's Machine Shop, Target,

Mid-South Sales, Full Sun, Fergus Spades Dental, Gearhead, Integrity First Bank, Ben Ford State Farm and Emerson's Ambulance Svc. were all sponsors at different levels. These sponsors made it possible for us to put on a successful event. Some of these sponsors not only donated money, but also provided volunteers to help work the event. First Community Bank, Target, and the Citizen Police Ambassador's Alumni all provided numerous volunteers to help make the event a success.

Special Olympics Arkansas

Many officers choose to volunteer in their off-duty time with Special Olympics Arkansas, which provides year-round sports training and athletic competition in a variety of Olympic-type sports for all children and adults with intellectual disabilities. This affords the Special Olympics athletes opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills, and friendship with their families, other Special Olympics athletes, and the community.

The yearly Law Enforcement Torch Run benefits Special Olympics by raising money and awareness. JPD officers are eager every year to run for a good cause. What began as a 30-mile run is now a fourday relay that covers more than 1200 miles and 700 runners. The Torch Run in Arkansas originates in over 12 locations and culminates at the site of the state Summer Games. Jonesboro officers also participate in other events to benefit Special Olympics Arkansas, including Polar Plunge, Fire Truck Pull, and Tip A Hero.

JPD 3rd Annual "Trunk or Treat" Block Party

Officers from several law enforcement agencies, first and responders community volunteers joined JPD officers in late October for a Halloween block party the Melrose/Cedar Heights neighborhood. The brainchild of Ptl. Blake Easley, the event brought community members and public safety personnel together for food, fun and entertainment. KLEK radio provided music for the party.

National Night Out

National Night Out is another example of the police-community partnerships

that the Jonesboro Police Department and the citizens of Jonesboro work so hard to establish and maintain. This annual community-building campaign promotes police-community partnerships and neighborhood safety through the sharing of a meal, games, and other activities. In 2018, officers participated in large National Night Out events at CWL Park (737 West Cherry), at Miles Park (1605 North Bridge) and in front of Life Strategies Counseling (1200 block of Stone Street).

Shields for Shoes

On July 28th the Jonesboro Police Department partnered with Academy sports and local schools to provide 30 kids, shoes and other back to school accessories to start the school year out on the right foot! Chief Elliott felt that everyone has the chance to get backpacks, and nothing starts the year off on the right foot like a new pair of shoes. One family said this was the first time any of their kids received new shoes. Academy Sports donated \$100 per child.

Day of Caring

2018 marked the 62nd year for United Way and the third year that the Jonesboro Police Department was pleased to participate in the annual United Way Day of Caring. This event matches community

volunteer groups with various community non-profit organizations in need of special service projects. The projects the department participated in 2018 ranged from assisting daycare providers through playing in the park and creating enrollment folders for the local Arkansas Learning Center.

Citizen Police Academy

The Jonesboro **Police** Department Citizen Police Academy takes an interactive approach with opportunities for hands-on activities to reinforce the curriculum taught by police officers and specialized law enforcement personnel. Classes cover a wide range of topics including patrol operations, police canine operations, criminal investigations, crime

prevention techniques, traffic stops, becoming a better witness, police use of force and SWAT. Students also may choose from electives such as a firing range day, a Simunition course, an interactive Dispatch session and a ride-along with a patrol officer. The mission of the Citizen Police Academy is to give the public a working knowledge of Jonesboro Police Department in an effort to dispel misconceptions about police officers and how police function, encourage a partnership with the community that will enable community-led problem solving, and create an environment for positive police and community

interaction. This academy does not create police officers, but instead aims to educate citizens about the policies, procedures and the laws that govern our actions. The department benefits from the academy by being afforded a better understanding of the views and concerns of our community, making us more accountable to the public that we serve.

Police Chief Rick Elliott set the establishment of a Citizen Police Academy as a goal when he became Police Chief in 2014. The Citizen Police Academy Alumni have formed an association called the Citizen Police Ambassadors in order to maintain contact with the Police Department.

Citizens' Police Academy Alumni Association

The Jonesboro Citizen Police Ambassador Association was established in 2015 as a nonprofit as an extension of JPD's Citizen Police Academy. Many who graduated from the CPA wanted a way to remain involved with JPD. The mission of the Ambassador Association is "to "Bridge the Gap" between our community and the police department by Learning, Educating, and Serving". The association functions as an interactive support program between the Jonesboro Police Department and the citizens of Jonesboro, Arkansas. They expand community knowledge in the area of law enforcement, crime prevention, and public safety. Members of the Association log hundreds of hours each year volunteering with and for JPD and other community groups such as the Fraternal Order of Police Lodge #8. The Association is governed by an executive board that is elected by the membership.

Shop with a Cop

Volunteers from the Jonesboro Police Department joined with representatives of several other area law enforcement agencies to help brighten Christmas for nearly three dozen children through the Shop with a Cop program. Sponsored by the Fraternal Order of Police Lodge Number 8 and the Jonesboro Rotary Club, the event not only helps children who would likely be unable to afford Christmas gifts, but also serves to build rapport between police officers and children they serve and protect.

Firetruck Pull

The annual LETR Firetruck event has been held each year during the BBQ festival in downtown Jonesboro. The money raised goes to Special Olympics Arkansas to help provide year-round sports training and athletic competition. Special Olympics includes a variety of Olympic type sports for all children and adults with intellectual disabilities giving them the opportunity to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills, and friendships with their families and other Special

Olympics athletes and the community. Arkansas currently has 15,000 athletes statewide and approx. 1000 of those athletes reside in Area 7 which encompasses Craighead County. Arkansas is one of five states that pays 100% of our athletes to participate in the area, state, USA, and International competitions this includes travel, uniforms, equipment, room, and board. All the money raised by LETR fundraisers for Special Olympics stays in the state of Arkansas.

Fuzz for Food/No Shave November

During the month of November, the Jonesboro Police Department collected money for the Northeast Arkansas Food Bank. In exchange for at least \$1 a day, Chief Elliott agreed to let the officers participate in No Shave November. This event was open to anyone who wanted to participate and several officers grew beards throughout the month. Officers raised more than \$2,600 for the Northeast Arkansas Food Bank. The food

bank estimates that it will provide more than 10,000 meals to families in need.

Programs, Equipment, Software, and Facilities

Body Cameras

In December of 2018, the department was finally able to bring to a conclusion our two year-long project in researching, obtaining and implementing body worn cameras for all of our officers. Along with adopting a model policy, the agency also sought to implement best practices as outlined by the Bureau of Justice Assistance guidelines. In doing so, the department was already in compliance with standards required by the BJA and were successful in being awarded a federal BJA grant of over \$300,000 to help offset the cost of implementing the program. Recent introduction of Arkansas legislation that proposes a state-wide mandate for recording certain police activities is reflective of the current trend in police accountability. implementing this program now, before being legislated or otherwise mandated, we hope our commitment to transparency is evident.

MOVE / Ecite

In an effort to capitalize on the growing technology available to law enforcement, in 2018, we sought out funding for certain technology related items that would increase productivity. As part of a state-wide traffic records modernization project, in 2015, the State began to offer software to be utilized for citations and motor vehicle crash reporting. This program will eventually eliminate the need for data entry of citations and provide for a streamlined, automatic upload of crash information to the State.

Federal grant funding was secured in early 2018 for scanners and printers for patrol units in order to launch the first phase of implementing the software framework called MOVE (Mobile Officer Virtual Environment). MOVE incorporates several software applications such as eCite, for electronic citations, and eCrash for electronic motor vehicle accident reporting. Acquisition of additional scanners and printers was secured later in the year through another state grant and the department currently has over fifty operational units. This system reduces stop time, increases officer safety, reduces record keeping tasks, and affords the State and the department the ability to more quickly and easily access traffic citation and crash data for analysis. Throughout 2019, we will continue to use the equipment in our effort to reach our ultimate goal of being totally computer based in our citation and accident reporting. It will become especially vital as our local District Court is also in the process of implementing Contexte, a court based reporting system that is the court component of this state-wide database. Once their implementation is complete all of our citation activity will be automatically integrating with the court database.

Naloxone

Nationally in 2017, 175 persons per day died of a drug overdose. The national opioid crisis is one that we must prepare for and the Department was forunate to be selected to participate in a state-wide grant made avaiable through the Blue & You Foundation to provide first responders with Naloxone to aid in the treatment of fentanyl related overdoses. The grant parallels one already awarded to Arkansas jurisditions in designated high risk counties, and will be administered through the Criminal Justice Institute, with oversight from the Arkansas Alcohol and Drug Coordinating Council and State Drug Director Kirk Lane. Officers of the Jonesboro Police Department will be receiving training in upcoming months and will be deploying a number of naloxone response kits in order to aid victims of opioid overdose.

Shooting Sports Complex

Last year, the City of Jonesboro, in partnership with the Arkansas Game and Fish Commission, embarked on the development of a new Shooting Sports Complex that will bring a 200+ acre shooting sports complex to area residents. Site plans are in the final stages of development and include a Trap/Skeet area, as well as a 200-yard Rifle Range, a 50 yard Pistol Range, an Archery Range, and a 3-D Archery Range. The Police Department will be able to use the facility for all of our training needs and it will replace the aging and landlocked facility at Craighead Forrest that the Department is no longer able to use due to the proximity to residential areas.

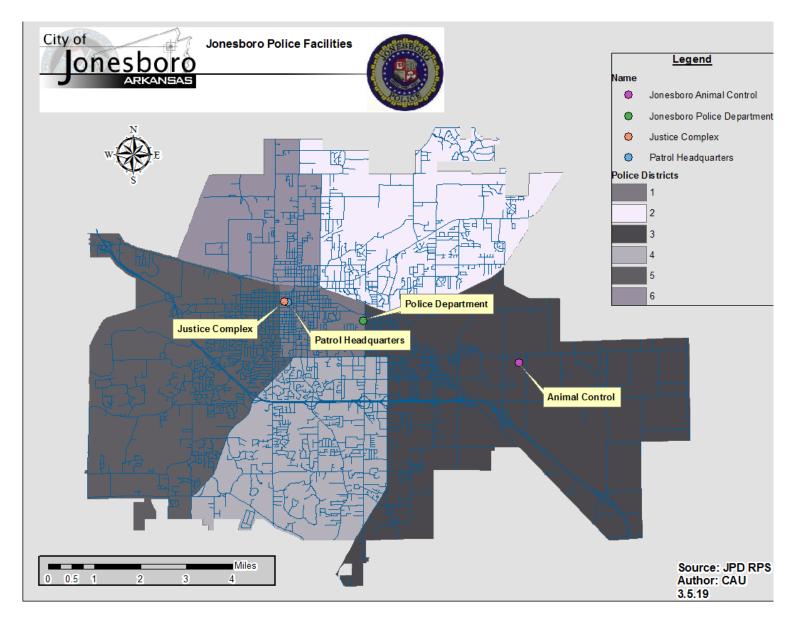

Field Training Officers/New Hires

In 2018 the Training Division conducted eight department-wide trainings totaling 40 hours per officer, along with other trainings offered from outside sources. The training that every officer received included a shoot / no shoot decision making course, firearms for all platforms, Street Encounters (a six hour case law update) and an update on impact weapons use. Additionally, the training division conducted two new hire recruit classes, with 16 potential officers, and a Field Training officer course. The two new recruit classes include classroom instruction over the entire policy manual and covering basic concepts of police work to help ready them for field training. Recruits also receive hands on skills training in topics like traffic stops, weapons qualifications and defensive tactics.

To meet the need with the influx of new recruits, a forty-hour Field Training Officer course was held, to add personnel to the task of molding new officers. The course deals with legal aspects of training, interpersonal communications, learning types, and a number of other topics that help prepare these new FTOs to fulfill their obligations.

Police Facilities

The Police Department operates out of multiple facilities in order to serve the community. The Jonesboro Police Department, located at 1001 S. Caraway Rd. is where Police Administration is located, as well as the Records division, Crime Analytics, Fleet Maintenance, CID, ICAC, and Evidence. The Justice Complex, located at 410 W. Washington, houses the E911 department and many special services operations such as training and warrants. True to their names, the Patrol Headquarters, located at 314 W. Washington, and Quality of Life building, located at 300 S Church, house our Patrol Division. Animal Control is located at 6119 E. Highland.

Recruiting Efforts and Statistics

Ending 2018, the Jonesboro Police department was comprised of 163 sworn positions, of which there were 9 vacancies. 2018 saw a composition of 144 Caucasian, 10 African-American and one Hispanic officer(s). Females comprise near 10% of the Jonesboro Police department, which is slightly under the national average of 12.5%. Minorities also comprise near 10% of the department. The recruiting office is always trying to make your police department look more like our city, and encourage anyone who is eligible to apply.

It may be a first year anomaly, but the monthly testing has shown an increase in application of

minorities. Overall applications rose by 88% (200 to 376). Female applicants rose by 143% (30-73) and African American female applicants rose by 300% (2-28) and African American males increase 167% (30 to 80). In 2018 a total of 53% (202 of the 376) applicants did not show up for testing, failed to schedule a test or withdrew their application. In 2017, 51% (102 of the 200) of applicants did not continue after placing an application. In 2017, so the no show rate is continuing at the same pace. The increase in minority applicants is a good start. We will make every effort to continue this trend and hope that the growth in the monthly testing method becomes the trend.

Emergency 911

Also known as the Public Safety Answering Point (PSAP), the Emergency 911 Division is responsible for answering all calls from public for emergency assistance, accessing the needed information to best assist callers, and then assigning the most efficient and effective emergency response. In addition, this department is responsible for setting priority call dispatching to field units including Police, Fire, and EMS. Emergency 911 also maintains all records for radio logs, calls for service, and other emergency service data collections. Below please find the 2017/2018 E911 statistics, the Top 5 calls for service over the last 10 years, and the number of calls for service over the last 10 years. Dispatch interaction totals 82,619 calls. Calls for service for JPD totals 52,434.

Calls for Service vs Incidents vs Warrants vs Arrests Last 10 Years

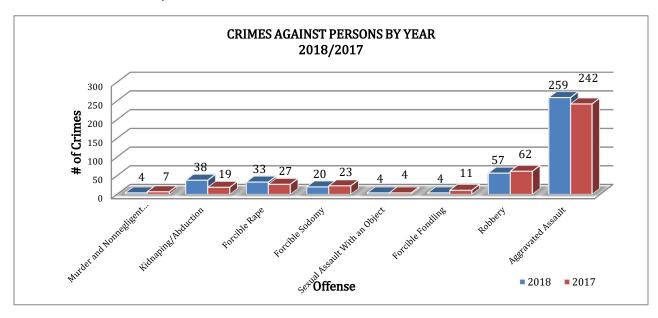

Calls for Service are trending down from last year. Warrants saw a drastic decrease from 2017-2018, mainly due to a change in operational procedures by the Jonesboro District Court. Many warrants have been quashed. Overall, warrants, incidents, calls for service and arrests are all trending down, some more drastically than others.

Looking Forward

In 2019, we anticipate many changes within the Jonesboro Police Department!

We will be actively recruiting minority and female applicants, implementing a new bodyworn camera program, will create new divisions, and will strive to become more active in keeping the public informed and involved to

maintain the transparency and accountability of the Jonesboro Police Department.

One way that JPD hopes to serve the public is through the creation of a Victim's Advocate Program. This full time position was created to assist victims of violent crimes in getting the services and help they need through the court system. The Victim Services Coordinator will help victims utilize the court system and advocate for justice.

This initiative also includes the hiring of a new Public Information Specialist, rebranding the Community Outreach program, and the addition of a Digital Media Specialist position charged with building a newly revamped website where you can file and obtain reports, get information about crime data, sex offenders, the inner workings of the JPD, and much more. This position will also utilize social media to create a new avenue for crime tips, a new platform for press releases, and will ensure transparency throughout the department.

This report is published to ensure that our community has been served in a professional, ethical, and equitable manner. It is our hope that this report ensures transparency and accountability between the JPD and the citizens of Jonesboro.
